

**BUCKINGHAMSHIRE
BUILDING SOCIETY**

FINANCE DIRECTOR

Attractive Salary + Benefits

Buckinghamshire Building Society is a traditional, local mutual organisation founded over 100 years ago which prides itself on its excellent reputation for providing a high level of service to its customers. Situated in the picturesque village of Chalfont St Giles, the Society has a staff of around thirty, split between two local offices.

There is a requirement for the new role of Finance Director. This is a main board appointment for a suitably qualified accountant who can deliver strong financial leadership as well as contributing to the overall strategic direction.

The Society is looking for an individual with the vision, experience and technical skills to ensure the Society continues to develop safely during these challenging times. Previous executive management experience with another building society or financial institution is considered essential. The role demands a dynamic and positive working style with a strong focus on financial control allied to strategic thinking for the benefit of our members.

As a member of the Board of Directors, the successful candidate will have strong communication skills, be an accomplished team player capable of shaping and implementing future strategy and will be confident ensuring that the Society meets the regulatory requirements of the Financial Services Authority.

Closing date for applications is 30 June 2009.
