

Finance Director

£85,000 to £90,000 + Benefits

Darlington Building Society is a successful regional building society based in an attractive part of North East England. Our business is primarily generated through our branch network. We have more than 100 staff and over 150 years of looking after local interests. We are proud to be a local, mutual building society.

Due to retirement we are now looking to recruit for this new position of Finance Director. The post is at board level so we are seeking a dynamic individual who can deliver strategic financial leadership. The position also has significant line management responsibilities for our finance, compliance, IT and risk functions.

As a member of the board you will be expected to provide important input into our strategic discussions. You will, therefore, possess a positive attitude, a proactive approach and a genuine desire to make a difference. High technical skills need to be evidenced and you must be a suitably qualified accountant.

Previous experience of working within financial services is vital, and previous building society experience would be a

definite advantage. The successful applicant is likely to be working at a senior level already and looking for an opportunity to develop.

As a member of the Board of Directors the successful applicant must be an excellent communicator who is able to meet the requirements of the Financial Services Authority's Approved Persons regime.

Written applications, including a CV, should be sent to:

Mr. David A. Dodd
